

**ACADEMIC COUNCIL**  
**Tuesday, May 4, 2021, 3:30 p.m.**  
**Via Zoom**

**AGENDA**

- 1. Opening Prayer**
  
- 2. Approval of Minutes of the meeting of April 16, 2021**
  
- 3. Proposed New Program: PhD in Analytics**
  
- 4. Proposed New/Revised Program: MS in Global Health**
  
- 5. Graduate School's Crisis Leave Proposal**
  
- 6. Proposed New Undergraduate Major: Education, Schooling, and Society**
  
- 7. Proposed Designation for a New University Center**
  - a. Technology Ethics Center Proposal**
  
- 8. Informational items:**
  - a. New Patient Advocacy Minor in the College of Science**  
**Because this minor is fully within the College of Science, it does not require approval from the Academic Council. It was approved by the College of Science, and is shared with the Academic Council for information.**
  
  - b. Academic Council Procedure Guide**  
**The Executive Committee has been discussing the procedures of the Academic Council, the Executive Committee, and the three sub-committees. The attached document outlines the procedures currently in place. A working group will be established to develop a formal procedures guide, which will be brought to the Academic Council for debate and incorporation in 2021-22.**
  
- 9. Adjournment**
