

2014 REV. WILLIAM A. TOOHEY, C.S.C., AWARD FOR PREACHING

A dynamic homilist, the recipient of the 2014 Rev. William A. Toohey, C.S.C., Award for Preaching commands attention with thought-provoking messages, articulating Scripture in ways that help us to understand God's love and desire for each of us to experience spiritual growth and salvation. He is particularly devoted to the Latino students on campus, with whom he celebrates Mass weekly, and to the residents of Dillon Hall, where he is an active priest-in-residence despite many days on the road leading the Alliance for Catholic Education's efforts to make Catholic education more available to Latino communities across the country. Students know him as an advocate who empowers them to become leaders in liturgy and in the Church in general, and the University is richly blessed by his creativity and boundless energy.

The University of Notre Dame is proud to present the 2014 Rev. William A. Toohey, C.S.C., Award
