

University Committee on Women Faculty and Students

Tuesday, April 7

Room 500 Main, 10 a.m.

AGENDA

1. Approval of the meeting minutes from January 21, 2015 (we did not have a quorum at the March meeting, so could not approve this set) and March 16, 2015. (attachments)

2. Request for volunteers to serve on the Early Childhood Development Committee University Committee: 2-3 meetings, late April and early May: Mary Hendriksen

3. Next steps with the Faculty Experience Survey:

Referring to the chart created at the January meeting (I will bring copies to the meeting) of themes/issues/possible action items:

A. Efforts worth undertaking but not within the purview of the UCWFS –either because they are beyond its power or "bandwidth" -- for example, hiring x number of women faculty.

B. Efforts the UCWFS should take on beginning Fall 2015 – We anticipate forming three subcommittees, with some of next year's meetings devoted to subcommittee meetings.

C. Additional themes to be raised in the UCWFS response to the Faculty Experience Survey. (Laura will draft a response and circulate it before the May meeting. We will finalize it then.)
