6. Presentation of the faculty salary equity report
7. Adjournment

Undergraduate Studies Committee will not meet.
Faculty Affairs Committee will not meet.
Advanced Studies Committee will not meet.

At the request of the Registrar, we note that the CIP Code for the graduate program in Psychology will change from 42.0101 (Psychology, General) to 42.2799 (Research and Experimental Psychology). The change will be effective in the spring 2018 term for all current students, and in the initial term for all incoming students.
