1. Opening Prayer – Fr. Jenkins invited Fr. Dan Groody to offer the opening prayer.

2. Approval of the Minutes of the meeting of August 29, 2019 - Fr. Jenkins invited a motion to approve the minutes of August 29, 2019. The minutes were approved by a voice vote.

3. Discuss and vote on the proposed new BA Computer Science degree program – Fr. Jenkins invited Chris Kolda to introduce the proposal on behalf of the Undergraduate Studies Committee. Kolda then invited Pat Flynn and Sarah Mustillo to present the proposal.

   Flynn shared the program structure and the motivation behind the proposal. The current capacity of 2 large sections of each required course is 180 students across the BSCS, BSCPEG, and proposed BACS majors. The current enrollment in BSCS and BSCPEG is 150.

   After 2 years, if demand for the majors exceeds capacity, there may be a request for additional faculty to add additional sections in those required courses.

   Flynn and Mustillo confirmed that the major is structured in a way that would allow students to include it as one of two majors in cases of students wanting a double major.

   At the conclusion of the discussion, Fr. Jenkins invited a motion to approve the proposal. The proposal was approved by a unanimous voice vote.

4. Discuss and vote on the proposed Guidelines and Procedures for University Centers and Institutes – Fr. Jenkins invited Mike Desch to introduce the proposal on behalf of the Faculty Affairs Committee. Desch then invited Bob Bernhard to present the proposal.

   The updates are the result of both the regular updating of the documents, and specific updates required as a result of the decennial review of the Academic Articles. The documents were separated into a guideline/policy document, and a procedures document.
A point of clarification was raised. The Hesburgh Libraries' Navari Family Center for Digital Scholarship would be classified as an Academic Support Unit according to the Guidelines. An ASU "typically reports to the Office of the Provost, the Vice President for Research, or a Dean (or his/her designee)." The University Librarian does not serve as a dean for this ASU, but does lead the ASU as the Office of the Provost's designee.

The approved list of centers and institutes would be listed online. The current list is posted at https://www.nd.edu/academics/centers-and-institutes/.

The Guidelines indicated that faculty hiring by an Academic Support Unit should be in collaboration with departments, schools, and colleges. It was noted that there are instances where Academic Support Units are operating with no significant ties to academic departments, and the faculty hired have no formal affiliation with those departments. A proposal was made to add the clause “where appropriate” to that paragraph. The amendment was approved by a voice vote.

At the conclusion of the discussion, Fr. Jenkins invited a motion to approve the proposal. The proposal was approved by a unanimous voice vote.

5. **Discuss and vote on the proposed change to the *Undergraduate Academic Code* – Fr. Jenkins invited Chris Kolda to present the proposal on behalf of the Undergraduate Studies Committee.**

This proposal is in response to the change in the structure of the FYS and elimination of the position of Dean of the First Year of Studies. That left no position or group as responsible for this process.

At the conclusion of the discussion, Fr. Jenkins invited a motion to approve the proposal. The proposal was approved by a unanimous voice vote.

6. **Information Items**
