

2021 REV. PAUL J. FOIK, C.S.C., AWARD

The Rev. Paul J. Foik, C.S.C., Award is given to a library faculty member who has contributed significantly to library service to the Notre Dame community or to the library profession through personal scholarship or substantive engagement in professional associations. Since joining the Hesburgh Libraries in 2009, Patricia Lawton has enhanced the University's academic community through her teaching, research, and librarianship, advancing scholarship and the preservation of knowledge by significantly advancing users' access to and understanding of digital libraries. As digital projects librarian for the Catholic Research Resources Alliance, she has overseen the development of the Catholic Portal and the Catholic Newspapers Program. These projects have benefited researchers of North American Catholicism by enabling the global sharing of rare and unique resources among libraries, seminaries, special collections, and archives.

The University of Notre Dame is proud to present the 2021 Rev. Paul J. Foik, C.S.C., Award to

Patricia A. Lawton
