

NOTRE DAME ALL-FACULTY TEAM /// 2022

Notre Dame has a long history of outstanding student-athletes being named to All-America teams. We thought it was time for some of our most outstanding faculty to receive similar recognition.

At every home game, the provost will honor a different member of the faculty. These six individuals have been chosen from across the University for their excellence in research, teaching, and service to Notre Dame.

Mark Sanders

College of Arts and Letters

SEPT. 10

vs. MARSHALL

Paul Winters

Keough School of Global Affairs

SEPT. 17

vs. CALIFORNIA

Diane Desierto

Law School
