

NOTRE DAME ALL-FACULTY TEAM

Notre Dame has a long history of outstanding student-athletes being named to All-America teams. We thought it was time for some of our most outstanding faculty to receive similar recognition.

At every home game, the provost will honor a different member of the faculty. These seven individuals have been chosen from across the University for their excellence in research, teaching, and service to Notre Dame.

AUG. 26

vs. Navy

**BARRY
MC CREA**

College of Arts & Letters

SEPT. 2
